WELCOME

Welcome to Wattisfield Hall for Round 3 of the Stebbings Car Superstore and Templant Hire ACU Eastern Solo Motocross. Many thanks to these two companies who are a great asset to the series. There is full house of Experts and Junior riders with a 12 race programme on the cards.

The club continue to do work on the venue and glad to say we have Clarks of Walsham at Walsham le Willows who were able to supply material such as Chestnut Fencing and Stakes. Big thanks also Steve Lumley Planing from Bury St Edmunds who specialise in road planings – check out their website www.stevelumley.com.

We would like to extend our thanks to all marshal, officials, helpers and medical staff without them the event would not be possible. Plus, a big thanks to the Wyatt family for the continued use of their land, including the residents of Wattisfield Village that have made this possible over the years.

A must date in the diary is the Southside Evening Motocross on Wednesday 9th July. Racing starting at 6.pm. This is the most popular club MX of the year so get here early to get a parking space.

We wish all riders, and their pit crews and families, a great day's racing, and to everyone a safe event and safe journey home. Please take all your litter home as cows graze in these fields.

Wally (Paul Hubbard)

I hope you have had a great day today, but please remember.....

.... this is where I live, so it would be really nice if you would take your litter home with you.

WARNING - MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.

Please comply with all instructions of marshals and notices and remain in permitted areas only.

They are concerned with your safety

Abandonment or Cancellation

The organisers reserve the right, with the approval of the steward, to postpone, cancel or abandon the meeting or any part thereof should circumstances warrant such action.

Copyright

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or the ACU except for the sole purpose of private enjoyment.

Additional Notices

The organisers, the ACU and the landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the car parks.

Please do not leave paper or litter behind, it all has to be cleared by tired voluntary helpers after the meeting.

Riding in the Paddock

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the paddock.

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because this event is on private property it is NOT outside the jurisdiction of the Road Traffic Act in terms of insurance.

It cannot be stressed too highly that liability for a substantial claim could rest with the owners of the vehicle and the driver (or the parent in the case of a minor).

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

RIDERS TAKE NOTE

No riding of bikes in the paddock other than in riding lane leading to start line.

Machines must be pushed with the engine dead.

ACU Eastern MX Championship 2025

Knowledge, professionalism and experience are the hallmarks of Steve Lumley Planning.

We are proud to have been specialising in road planing for almost 35 years across the north coast of Norfolk, through Suffolk, Cambridgeshire, Essex and into Hertfordshire.

Our central location within the East of England, coupled with our expertise, makes us perfectly placed to work across all types of road planing, motorway and highways repairs and maintenance.

We also work at all major airports through the Eastern Region, supporting runways and taxiways removal and repairs.

Operating a 24-7 service from our state-of-the-art, six-acre headquarters in Bury St Edmunds, Steve Lumley Planning is proud to supply customers – big and small, national and local – with a modern fleet of road planing machines and supporting equipment.

We offer a one-stop shop for all planing needs with a fleet that includes tipper lorries, suction road sweeper, low loaders and purpose-built transporters.

This allows us to respond to any job with both professionalism and speed.
