Round 1 - GH M/cs. Husqvarna Eastern Centre Championship

WELCOME FROM THE FORESTRY COMMISSION

Forest Enterprise is pleased to provide the facility for this enduro. Have an enjoyable weekend, enjoy the competition, follow the countryside code, leave no sign of your visit and we will be delighted to see you again.

Ash Tree disease protection - RIDERS MUST clean machines and kit before and after every event and particularly before going into other woodland

East Anglia Forest District, Santon Downham - Forest Enterprise

All riders are reminded that the refuelling area is a **walking speed area** – no exceptions unless you are riding on the bypass provided. Even then, from the yellow flag into the control, you must not exceed walking speed. It is also important that all refuelling is carried out on an **environmental mat**, so make sure you bring one.

Once again many thanks to GH Motorcycles of Colchester for supporting the 2016 Eastern Centre Enduro Championship.

ACKNOWLEDGEMENTS

A big thank you from us to everyone who has helped to make this event possible:

Forestry Commission	Eastern Centre Marshals Club
GH Motorcycles	Raynet
St. Johns Ambulance	4X4 Response

AND to all other marshals, helpers, officials and members of all clubs who continue to support our events.

LITTER: In previous years the club has suffered significant problems with litter. If you want your sport to continue we must all respect the environment.
Please use skip provided or take your litter home!
