WARNING - MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.

Please comply with all instructions of marshals and notices and remain in permitted areas only.

They are concerned with your safety

Abandonment or Cancellation

The organisers reserve the right, with the approval of the steward, to postpone, cancel or abandon the meeting or any part thereof should circumstances warrant such action.

Copyright

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or the ACU except for the sole purpose of private enjoyment.

Additional Notices

The organisers, the ACU and the landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the car parks.

Please do not leave paper or litter behind, it all has to be cleared by tired voluntary helpers after the meeting.

Riding in the Paddock

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the paddock.

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because this event is on private property it is NOT outside the jurisdiction of the Road Traffic Act in terms of insurance.

It cannot be stressed too highly that liability for a substantial claim could rest with the owners of the vehicle and the driver (or the parent in the case of a minor).

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

RIDERS TAKE NOTE

No riding of bikes in the paddock other than in riding lane leading to start line.

Machines must be pushed with the engine dead.

WELCOME

We are delighted to welcome you to one of the most popular motocross events of the year at Wattisfield. From 132 riders competing, we have over 30 experts and 98 juniors taking part. With short, sharp races lasting less than three hours, this event is always a hit with spectators. The entry boasts some real star riders, including Tom Grimshaw, Bayliss Utting, Max Broadbelt, Luke Parker, Shaun Southgate, Josh Peters, and Ben Cole, to name just a few.

Our sincere thanks go to our principal sponsor, Southside MX of Rickinghall, for their support in making this event possible.

We would also like to thank all our programme advertisers, especially Clarks of Walsham and Steve Lumley Plannings from Bury St. Edmunds, for generously supplying materials to help repair the track and access roads.

A special thank you goes to the Wyatt family, who have allowed us the privilege of using this land since 1962, and to the residents of Wattisfield village for their continued understanding and cooperation. We are also deeply grateful to all the marshals, officials, helpers, and medical staff whose dedication ensures the event runs smoothly.

We wish all riders, their pit crews, and families a fantastic day of racing. Please enjoy the event safely and remember to take all your litter home
